## PROFESSIONAL EXPERIENCE

### LED Specialist/ Stage Production Specialist | Screenworks NEP, Corona, CA (August 2018 – Present)

*Conceptualize compelling ideas, show formats, and concepts to stimulate audience engagement while maximizing the feedback from recently aired shows to map out areas of improvement and lacking components of the production.*

- Direct LED Wall Builds as Team Lead while delegating tasks across departments to ensure a seamless event execution.
- Master organization skills while serving as Director and Cameraman while delivering high-quality productions.
- Execute the creation of captivating live visuals from initial blueprint pitching to final installation stages, demonstrating exceptional leadership and fostering effective team collaboration.
- Collaborate with clients, partners, and brands to create memorable experiences through events, talent provision, and digital services, achieving exceptional results.

#### Key Accomplishments:

- ✓ Operated handheld cameras and managed LED technology during Eric Church's 2021 tour, captivating audiences in North America's largest arenas and stadiums.
- ✓ Toured with Bad Bunny as part of the World's Hottest Tour in 2022, traversing Central and South America.
- ✓ Assisted Stevie Nicks and Billy Joel's tours in 2023 and 2024 as a Camera Utility and LED Technician, playing a vital role in delivering unforgettable live performances.

### Web/Digital Marketing Manager | Goodwill Industries, Indianapolis, IN (January 2014 – July 2018)

*Championed digital media, leveraging the knowledge of up-to-date best practices in creating a consistent brand with a creative design that could adapt to changing environments and client needs, including supporting content strategy needs.*

- Utilized expertise in WordPress, HTML, CSS, Photoshop, Mobile Apps, SEO, Microsoft Office, and Business Analysis, showcasing proficiency in diverse digital tools and technologies.
- Oversaw and directed customer support operations, delegating tasks to the Web & Digital Marketing Team through Salesforce for enhanced efficiency and seamless workflow.
- Conceptualized original, creative, and user-friendly web layout designs by planning, visualizing, and arranging company products for effective display on the Internet to turn browsers into buyers.
- Achieved cross-functionality by handling advertising/marketing campaigns, including major corporate branding projects.

#### Key Accomplishment:

- ✓ Programmed digital signage screens across 73 locations, ensuring seamless operation and optimal performance.

## EARLY CAREER
